## BIOGRAPHY

Fredrick D. Scott, FMVA, is a visionary leader in the financial services industry, with a focus on private capital markets in venture capital and banking. As the Founder and CEO of [Venture Backed](#) and [PMI Systems](#), he is reshaping the industry landscape with a groundbreaking digital engagement and social networking platform that embodies transparency, accountability, and unwavering integrity.

Fredrick touts a diverse background as a financial analyst, investor, mentor, and software developer. Recognizing the crucial need for transparency and accountability in managing portfolio companies, he developed the cutting-edge [Private Market Intelligence](#) system—a game-changing enterprise level B2B SaaS solution and an integral component of the Venture Backed platform. At Venture Backed and PMI, Fredrick has curated an esteemed Advisory Board, comprising Senior Executives from Accenture, Microsoft, Amazon, and key players in VC.

Fredrick has completed various industry accreditations, including the Financial Modeling & Valuation Analyst (FMVA) Designation, the Capital Markets & Securities Analyst (CMSA) Designation, and the Commercial Banking & Credit Analyst (CBCA) Designation from the Corporate Finance Institute (CFI). He is a Microsoft Advertising Certified Professional and holds a Diploma in Islamic Finance from the Chartered Institute of Management Accountants (CIMA). Frederick is currently pursuing an MBA from the University of London, and he is fluent in Italian, Korean, and German.

Additionally, Fredrick is deeply committed to giving back to the community. Through his involvement with organizations like NASA MITTIC, Gener8tor, Defy Ventures, MIT Solve, Stand Together Venture Labs, and The Northwestern Mutual Black Founder Accelerator, he serves as a mentor to aspiring entrepreneurs.
